

Aroma for Life Disclaimer:

The information on the Aroma for Life website is obtained from current and reliable sources. We make no claim as to its accuracy. Any products purchased from Aroma for Life are to be used at the customer's own discretion. The customer is strongly encouraged to do research on any product being considered for purchase to determine its suitability and safety for the intended use.

The use of the products contained herein is outside the control of Aroma for Life. No warranty, expressed or implied, is made as to the results obtained from the use of these products. Aroma for Life shall not be held responsible for any damages to property or for any adverse physical effects caused by insufficient knowledge or the improper use of products obtained from Aroma for Life. The liability of Aroma for Life is limited only to the value of the products.

All information contained within this site is for reference purposes only. It is not intended to substitute advice given by a physician or other licensed health-care professional. The International Federation of Aromatherapists does not recommend that Essential Oils be taken internally unless under the supervision of a Medical Doctor who is also qualified in clinical Aromatherapy. This information should not be used for treating a health problem or disease. If you suspect that you have a medical problem you should contact your physician or Health Care provider immediately.

The Essential Oils and/or blends on our website and any information and statements regarding Aroma for Life products have not been evaluated by the Food and Drug Administration and are not intended to diagnose, treat, cure, or prevent any health condition, disease or illness.

The Essential Oil blends are formulated from information obtained through internet research and books on the reported effects of essential oils. All information contained on this site, including products and treatments, is for informational purposes only. It is not meant to be a substitute for the advice provided by your own physician or other medical professional. Aroma for Life strongly encourages you to consult with your physician before using any essential oils or blends. Aroma for Life makes no claims concerning the effectiveness of our products. Any testimony or claim made by persons not employed by Aroma for Life is done so solely from their experience and is not endorsed by Aroma for Life.
